**Item 1.01. Entry into a Material Definitive Agreement.**

As previously announced, on July 19, 2010, Clopay Acquisition Corp. (“Clopay Acquisition”), a Delaware corporation and an indirect wholly-owned subsidiary of Griffon Corporation (“Griffon”), entered into debt and equity financing commitments, the proceeds of which are sufficient to pay the purchase price for the acquisition (the “Stock Purchase”) of all of the issued and outstanding shares of the capital stock of CHATT Holdings Inc., a Delaware Corporation (“Ames Holdings”), for a total of \$542 million in cash (on a cash and debt-free basis), and related transaction fees and expenses. On July 19, 2010, Clopay Acquisition also entered into a Stock Purchase Agreement (the “Purchase Agreement”) with CHATT Holdings LLC, a Delaware limited liability company (“Seller”), Ames Holdings, of which Ames True Temper, Inc. is a wholly-owned subsidiary, and, solely for purposes of Section 7.09 thereof, Griffon, relating to the Stock Purchase.

On September 8, 2010, Clopay Acquisition and Clopay Corporation (“Clopay”) entered into an amended and restated debt commitment letter (the “Amended and Restated Debt Commitment Letter”) with Goldman Sachs Lending Partners LLC (“GSLP”), JPMorgan Chase Bank, N.A. and JP Morgan Securities LLC (together, “JP Morgan”), and Deutsche Bank Securities Inc. and Deutsche Bank Trust Company Americas (together, “Deutsche Bank”). Under the Amended and Restated Debt Commitment Letter:

- GSLP and Deutsche Bank have agreed to provide Clopay Ames True Temper Holding Corp., a Delaware corporation and a direct wholly owned subsidiary of Clopay (“Clopay Ames”), with a \$375 million senior secured term loan facility (the “Term Facility”), on the terms and subject to the conditions set forth in the Amended and Restated Debt Commitment Letter.
- JP Morgan and Deutsche Bank have agreed to provide Clopay Ames with a \$125 million senior secured asset-based revolving credit facility (the “ABL Facility”), on the terms and subject to the conditions set forth in the Amended and Restated Debt Commitment Letter.
- Clopay and Clopay Acquisition have represented that Griffon and its subsidiaries will contribute no less than \$196 million in cash to Clopay Acquisition, which represents an additional \$100 million from the amount set forth in the original commitment letter.

It is anticipated that approximately \$25 million of the ABL Facility will be drawn at closing. The funds drawn under the ABL Facility, together with the proceeds of the Term Facility and the cash contributed from Griffon and its subsidiaries, will be used to fund the Stock Purchase, pay related fees and expenses, and repay the outstanding balance on an existing ABL facility.

Consummation of the debt financing is subject to various conditions set forth in the Amended and Restated Debt Commitment Letter, including the absence of certain “material adverse effects” in respect of Ames Holdings and its subsidiaries, taken as a whole, and the absence of certain “material adverse effects” in respect of Ames Holdings, Clopay and their respective subsidiaries, taken as a whole.

Loans under the Term Facility will mature on the sixth anniversary of the closing date of the Stock Purchase and will bear interest at a rate based, at the borrower’s option, upon either

LIBOR or the prime rate plus a spread. The Term Facility loans will be collateralized by a first-priority lien on substantially all of the assets of Clopay, Ames Holdings and their respective material subsidiaries, other than inventory, accounts receivable and cash, which will collateralize the ABL Facility on a first-priority basis and the Term Facility on a second-priority basis.

The ABL Facility will provide a revolving credit facility for a five-year term, commencing on the closing date of the transaction. Borrowings under the ABL Facility will bear interest at rates based, at the borrower's option, upon either LIBOR or the prime rate plus a margin, and will be collateralized by a first-priority lien on the inventory, accounts receivable and cash of Clopay Holdings, Ames Holdings and their respective material subsidiaries, and a second lien on substantially all the other assets of such entities.

Certain terms of the Term Facility and the ABL Facility are subject to modification in certain limited respects if GSLP (in the case of the Term Facility) or JP Morgan (in the case of the ABL facility) shall determine, in its reasonable discretion, that such modifications are reasonably necessary to facilitate or attempt to facilitate a successful syndication.
